SECTION 6 - SMALL BUSINESS OR ORGANIZATION CERTIFICATION

Complete this section for business(es)/organization(s)/sole proprietorship(s) that is listed as the dealer in section 1, block 1a.

When proposing regulations, the National Marine Fisheries Service (NMFS) is required to analyze the economic effects of such regulations on small entities (e.g., businesses and non-profit organizations). As part of the required analyses, NMFS must determine if permit applicants are large or small entities according to standards established by the Small Business Administration (SBA) and NMFS. Only one standard applies to each business or non-profit organization. The standard is based on your primary North American Industry Classification System (NAICS) code, which indicates the industry your business or non-profit organization is primarily engaged in. The SBA has also established “principles of affiliation” to determine whether a business concern is “independently owned and operated.” In general, businesses are affiliates of each other when one business controls or has the power to control the other business or a third party controls or has the power to control both.

For this assessment, please estimate your annual gross receipts (sales) OR number of employees (see chart below to determine which estimate you need). Estimates of annual gross receipts must be for all businesses with which you are affiliated. Estimates of the number of employees must include all full, part-time, and temporary employees of all businesses with which you are affiliated. For example, if two businesses jointly own or lease a vessel, it is highly likely they are affiliated. **If you have any questions about affiliation, please contact Mike Travis, SERO Economist, at mike.travis@noaa.gov or call 727-209-5982.**

Please base your responses on the most recent calendar year for which you have complete data regarding your business’ or organization’s operations, and specify that calendar year in the appropriate box below.

SECTION 7 - SIGNATURE FOR APPLICATION - REQUIRED

The undersigned certifies under penalty of perjury that the foregoing information is true and correct (28 U.S.C. section 1746; 18 U.S.C. section 1621; 18 U.S.C. section 1001).

Please note: The applicant who signs below must be the dealer identified in Section 1 unless the dealer is a partnership, corporation, or other business entity, in which the applicant must be an individual named as an officer or shareholder of the business as listed in Section 4.
