- All permit transfer requests must include, as a minimum: 1) an application, 2) the original permits with appropriate signatures on the back, 3) the appropriate fees, and 4) a copy of the receiving vessel’s unexpired U.S. Coast Guard Certificate of Documentation or State Registration unless the permit office already has a copy of the vessel’s valid documentation or registration on file. Please note - we cannot accept a bill of sale as documentation or registration.

- SIGNATURES ON PERMITS: provide the valid (not expired) ORIGINAL (not a copy) transferable permit(s) with notarized signatures on the reverse of the permit.
  - Persons listed as permit holders on the face of the permit must sign as sellers the back of the permit. If the permit holder is a business, an officer or shareholder of the business must sign as seller on the back of the permit. The correct format must include the signature, the person’s position in the business and the company name. For example: John Doe, President, XYZ Fishing Inc.
  - A notary public must notarize the sellers’ signature(s).
  - Print the name of the new permit holder, individual(s) or business, as the receiving vessel permit owner.
  - No signatures are required if transferring permits to a different vessel owned by the same entity (person or business), unless the permit is a Gulf of Mexico Charter/Headboat Permit (please read the back of this type of permit).

- A vessel owner with a moratorium Gulf of Mexico Coastal Migratory Pelagic Charter/Headboat and/or a Reef Fish Charter/Headboat permit(s) that transfers the permit(s) to another vessel owner or to another vessel, must remove the Federal Charter/Headboat decal from their vessel.

- Include a copy of the current lease agreement if the vessel is leased, rented, or leased-to-own. The lease must identify both the entities leasing the vessel and the vessel owners as listed on the vessel’s USCG Certificate of Documentation or, if not documented, the State Registration. The lease agreement must include a lease start date, and lease expiration date. The lease must run for a minimum of 7 months, and may extend for many years if the lessee and lessor anticipate a long-term

3
arrangement. Both the vessel owner(s) and the lessee(s) must sign and date the lease agreement.

- For Shark and Swordfish Directed and Incidental permits, please include a copy of a valid Protected Species Safe Handling, Release, and Identification Workshop Operator’s Certificate issued to the vessel owner for initial issuance. For all subsequent renewals, please include a copy of a valid Protected Species Safe Handling, Release, and Identification Workshop Owner’s Certificate.

- With the exception of Sea Bass Pot endorsements and Golden Tilefish endorsements, NMFS cannot transfer expired permits. An applicant may transfer a permit only when the seller(s) signature is notarized BEFORE the expiration date. Once signed, the buyer must submit an application to transfer the permit before the permit terminates, one year following the expiration date of the permit (or 6 months following the expiration date of a Golden Crab permit). An applicant may transfer a Sea Bass Pot endorsements and Golden Tilefish endorsements only when the seller(s) signature is notarized and submits an application BEFORE the termination date of the endorsements, which is one year after the expiration date of the endorsements.

**FEES**

Fees for permit or endorsement renewal, initial issuance, and transfers are $25 for the first permit or endorsement and $10 for each additional permit or endorsement. The flat rate fee for replacement of one or more permits issued to a single vessel is $18.
