FOR OFFICE USE ONLY

Reviewer's Initials and Date

Application ID

Instructions

To consolidate one Commercial Reef Fish Permit into another:

- 1 Enter the permit number of the permit to be retained after consolidation as Permit.
- 2 Enter the permit number of the permit to be consolidated as Permit 2.
- 3 Sign the form. Note: The ownership of both permits must be exactly the same, and all owners must sign this form.
- 4 Mail or deliver the signed form AND the permits to be consolidated to the NMFS Permit Office at 263 13th Ave S St. Petersburg, FL 33701.

(Note: To consolidate more than one Commercial Reef Fish Permit; complete, sign, and submit this form for each individual permit to be consolidated.)

Permit Designation

Permit 1: The permit you want to keep.

Enter the Permit number for the Commercial Reef Fish permit to be retained (e.g., RR-102) and into which the other Reef Fish Permit will be consolidated

Permit 2: The permit you want to consolidate.

Enter the Permit number for the Commercial Reef Fish Permit to be consolidated (e.g, RR-132)

Remember to send this permit with your signed form

The undersigned hereby acknowledges that by consolidating Permit 2 into Permit 1, all landings associated with Permit 2 will be associated with Permit 1 from this point forward. This action cannot be undone. Permit 2 may never be restored.

Signature

The undersigned certifies under penalty of perjury that the foregoing information is true and correct (28 U.S.C. section 1746; 18 U.S.C. section 1621; 18 U.S.C. section 1001).

Note: If the permit holder is a company, an officer or share holder authorized to represent the permit holder must sign the form, and indicate his or her position in the company.

Public reporting burden for this collection of information is estimated to average 20 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other suggestions for reducing this burden to PRA Officer, National Marine Fisheries Service, F/SER2, 263 13th Avenue South, St. Petersburg, FL 33701.

The National Marine Fisheries Service requires this information for the conservation and management of marine fishery resources. The data reported will be used to develop, implement, and monitor fishery management activities for a variety of other uses. Responses to this collection are required to obtain or retain a fisheries permit under the Magnuson - Stevens Act. Confidential name and address information will be released via a NOAA Fisheries website. All other data submitted will be handled as confidential material in accordance with NOAA Administrative Order 216-100, Protection of Confidential Fishery Statistics. Notwithstanding any other provisions of the law, no person is required to respond to, nor shall any person be subjected to a penalty for failure to comply with, a collection of information subject to the requirements of the Paperwork Reduction Act, unless that collection of information displays a currently valid OMB Control Number.
