

MAY 30 2014

To All Interested Government Agencies and Public Groups:

Under the National Environmental Policy Act (NEPA), an environmental review has been performed on the following action.

TITLE: Environmental Assessment (EA) for Amendment 20A to the Fishery Management Plan for the Coastal Migratory Pelagic Resources of the Gulf of Mexico and South Atlantic Region (FMP) [RIN 0648-BD83]

LOCATION: Exclusive economic zone off the Gulf of Mexico and Atlantic states

SUMMARY: The EA analyzed the effects of a range of alternatives identified in Amendment 20A to the FMP that modify the coastal migratory pelagics permit requirements and restrictions. This included modification of the sales provisions and income requirements.

RESPONSIBLE

OFFICIAL: Roy E. Crabtree, Ph.D.
Regional Administrator
National Marine Fisheries Service, National Oceanic and Atmospheric Administration (NOAA)

The environmental review process led us to conclude that these actions will not have a significant impact on the environment. Therefore, an environmental impact statement was not prepared. A copy of the finding of no significant impact (FONSI), including the EA, is enclosed for your information.

Although NOAA is not soliciting comments on this completed EA/FONSI we will consider any comments submitted that would assist us in preparing future NEPA documents. Please submit any written comments to the Responsible Official named above.

Sincerely,

Patricia A. Montanio
NOAA NEPA Coordinator
